SUMMER VACATION 2021

Dear Parents,

Greetings!

As we close for the summer vacation, we at MADE EASY SCHOOL, wish you and your loved one's health and safety in these challenging times.

The break this year, unlike the past, is solely meant to build relationships at home ,nurture one's mind and help your ward build on / pursue his /her hobbies.

The entire year lies ahead of us to pursue academics and we have sufficient time on our hands to work through the syllabus.

We have also uploaded practice / revision worksheets for various subjects in the google classrooms. You may use these during the break to engage your ward.

Please note: These worksheets are optional.

Wishing you happy holidays and looking forward to seeing you and your ward rejuvenated post the break.

Stay healthy & stay safe.

Best Regards

Nitu Channan

Head of School
